This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

YOUR CHOICE

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each calendar year before you can receive coverage for most benefits under this plan. The calendar-year deductible begins on January 1 and ends on December 31 of each year. Your deductibles are **\$100** per member (or **\$100** per family) for in-network services and **\$500** per member (no family limit) for out-of-network services.

When You Choose Preferred Providers

You receive the highest level of benefits under your health care plan when you obtain covered services from preferred providers. These are called your “in-network” benefits. See the charts for your cost share.

Note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you are referred to is not a preferred provider, you're still covered, but your benefits, in most situations, will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider

To find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory or help choosing a provider, call the Member Service number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com/findadoctor

When You Choose Non-Preferred Providers

You can also obtain covered services from non-preferred providers, but your out-of-pocket costs are higher. These are called your “out-of-network” benefits. See the charts for your cost share.

Payments for out-of-network benefits are based on the Blue Cross Blue Shield allowed charge as defined in your benefit description. You may be responsible for any difference between the allowed charge and the provider's actual billed charge (this is in addition to your deductible and/or coinsurance).

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a calendar year for deductible, copayments, and coinsurance for covered services. Your out-of-pocket maximums for medical benefits are **\$4,000** per member (or **\$8,000** per family) for in-network services and **\$4,000** per member (or **\$8,000** per family) for out-of-network services. Your out-of-pocket maximum for prescription drug benefits is **\$2,000** per member (or **\$4,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a copayment per visit for in-network or out-of-network emergency room services. The copayment is waived if you are admitted to the hospital or for an observation stay. See the chart for your cost share.

Telehealth Services

You are covered for certain medical and mental health services for conditions that can be treated through video visits from an approved telehealth provider. Most telehealth services are available by using the Well Connection website at wellconnection.com on your computer, or the Well Connection app on your mobile device, when you prefer not to make an in-person visit for any reason to a doctor or therapist. Some providers offer telehealth services through their own video platforms. For a list of telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com, consult the Provider Directory, or call the Member Service number on your ID card.

Utilization Review Requirements

Certain services require **pre-approval/prior authorization** through Blue Cross Blue Shield of Massachusetts for you to have benefit coverage; this includes non-emergency and non-maternity hospitalization and may include certain outpatient services, therapies, procedures, and drugs. You should work with your health care provider to determine if pre-approval is required for any service your provider is suggesting. If your provider, or you, don't get pre-approval when it's required, your benefits will be denied, and you may be fully responsible for payment to the provider of the service. Refer to your benefit description for requirements and the process you should follow for Utilization Review, including Pre-Admission Review, Pre-Service Approval, Concurrent Review and Discharge Planning, and Individual Case Management.

Dependent Benefits

This plan covers dependents until age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.

Pediatric Essential Dental Benefits

Your medical plan coverage includes a separate dental policy that covers pediatric essential dental benefits for members until the end of the calendar month in which they turn age 19 as required by federal law.

You must meet a plan-year deductible for certain covered dental services. Your deductible is **\$50** per member (no more than **\$150** for three or more members enrolled under the same family membership).

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible and coinsurance for covered dental services. Your out-of-pocket maximum is **\$350** per member (no more than **\$700** for two or more members enrolled under the same family membership).

To find participating dental providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com/findadoctor or call the Member Service number on your ID card.
